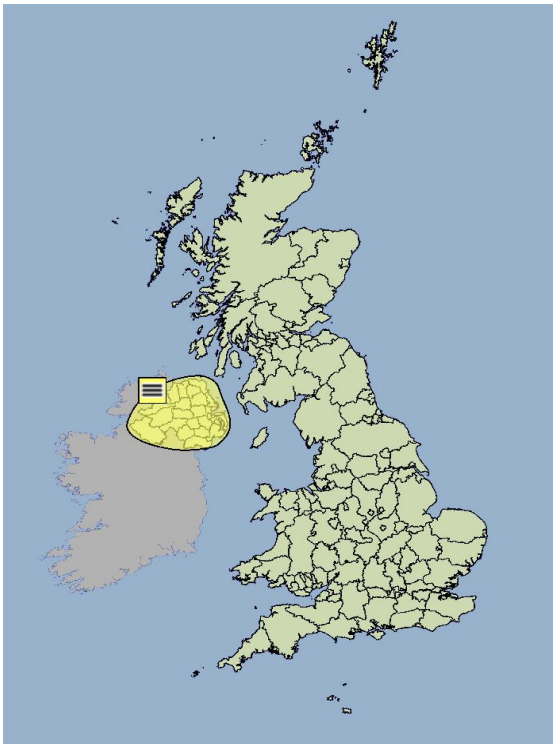
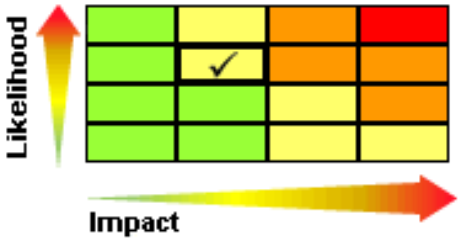
National Severe Weather Warning Service





Chief Forecasters Assessment
Fog will persist in some parts of Northern Ireland during Thursday afternoon, thickening up towards dusk with the visibility falling below 100 metres in places. However, the fog will lift and clear from the west later on Thursday evening and into the early hours of Friday as winds strengthen.

The Met Office have issued a **Yellow Warning** of **Fog**

Valid from **15:00 on Thu, 11th Jan 2018** until **03:00 on Fri, 12th Jan 2018**

Fog will affect parts of Northern Ireland. Slower journey times with delays to bus services are possible and there is a chance of delays or cancellations to flights.
